Re: Budapest Reply - Istvan SZOKSI et al

RE: 100-10892, 10 August 1954

1. SOB, CIC/D-2 files revealed no traces on either the name Istvan (Stefan) SZOKSI or Istvan SZOKSI.

2. Traces on Istvan SZOKSI are as follows:

a. On 9 June 1952 CIC received a letter from the Association of the Free Press which was signed by the association's vice-president, Dr. Zoltan SZOKSI. The letter, dated 5 June 1952, mentioned that Sándor SZOKSI and Istvan SZOKSI were professional journalists and indicated that CIC and other organizations were hindering or had hindered in the past, the journalistic activities of SZOKSI and SZOKSI. Dr. SZOKSI requested CIC support of SZOKSI and SZOKSI in their activities as journalists.

b. In a 10 November 1952 CIC investigation of James ANKERSKY, possible AWM agent, it was discovered that he corresponded regularly with Zoltan SZOKSI, editor of the newspaper "NEPEK" and was in hopes that SZOKSI could aid him in immigrating to the United States.

c. A 29 May 1953 CIC report concerns the intercept of a letter dated 22 September 1952 to Dr. Zoltan SZOKSI from George LAY. In the letter LAY writes that he and "RZSO" settled as many things as possible, that he (LAY) intends to refrain from RFP (RFP) and he refers to an evaluation slip and an apparent duplication of information. LAY requested copies of the program broadcast by VOA and RFP (RFP) on 7 August and promised to return them immediately.

d. An SOB file check revealed a 10 December 1953 report from a confidential agent in which he submitted a mimeographed letter dated from Paris to high-ranking MREK officers. The letter, he believed, was written by Antal SZOKSI and requested all the letter receivers to insist upon the investigation of the funds allotted to the Istvan Zoltan SZOKSI and Miklós SZOKSI owned "Hungaria" newspaper. The letter informed that a share of the money donated to the MREK by its members is donated in turn to the newspaper by General ZAKO which constitutes a misuse of MREK funds. The letter is signed "Opposition of the MREK's Central Office".

e. On 16 June 1954, Irene RAD aka SZOKSI volunteered information to the CIC. She stated she had worked for the MREK while in Hungary. After her release from MREK, she was completely debriefed by Sándor SZOKSI, who then put her in contact with Zoltan SZOKSI. Later she learned that SZOKSI was in reality only a stooge for SZOKSI and that she was being used by the MREK. SZOKSI threatened her that if she did not cooperate, the safety of her child in Hungary would be endangered. In April 1953 on orders from SZOKSI she put Istvan SZOKSI (possible AWM agent) in direct contact with the MREK.

3. Following are traces on Istvan SZOKSI:

a. SOB revealed no identifiable traces on the name Istvan SZOKSI.
